Per-and Polyfluoroalkyl Substances (PFAS) Free Statement for Non-Coated and Polyimide

Coated Products

To the best of its knowledge, Variscite LTD does not intentionally add Per-and Polyfluoroalkyl Substances (PFAS) as a raw material or processing aid in the manufacturing of our non-coated and polyimide coated products.

This information is based upon information provided to us by the suppliers of raw materials and processing aids used to manufacture our products.

As a contract manufacturer, Variscite LTD is not considered a manufacturer of finished consumer goods. It is the responsibility of the manufacturer, distributor, supplier, producer, packager or importer of the finished consumer product to determine consumer safety and ensure compliance with all international, federal, state and local regulations of PFAS substances.
